

Anton Way 27-Nov-24 to 2-Jan-25

No. of records vs. Period of time

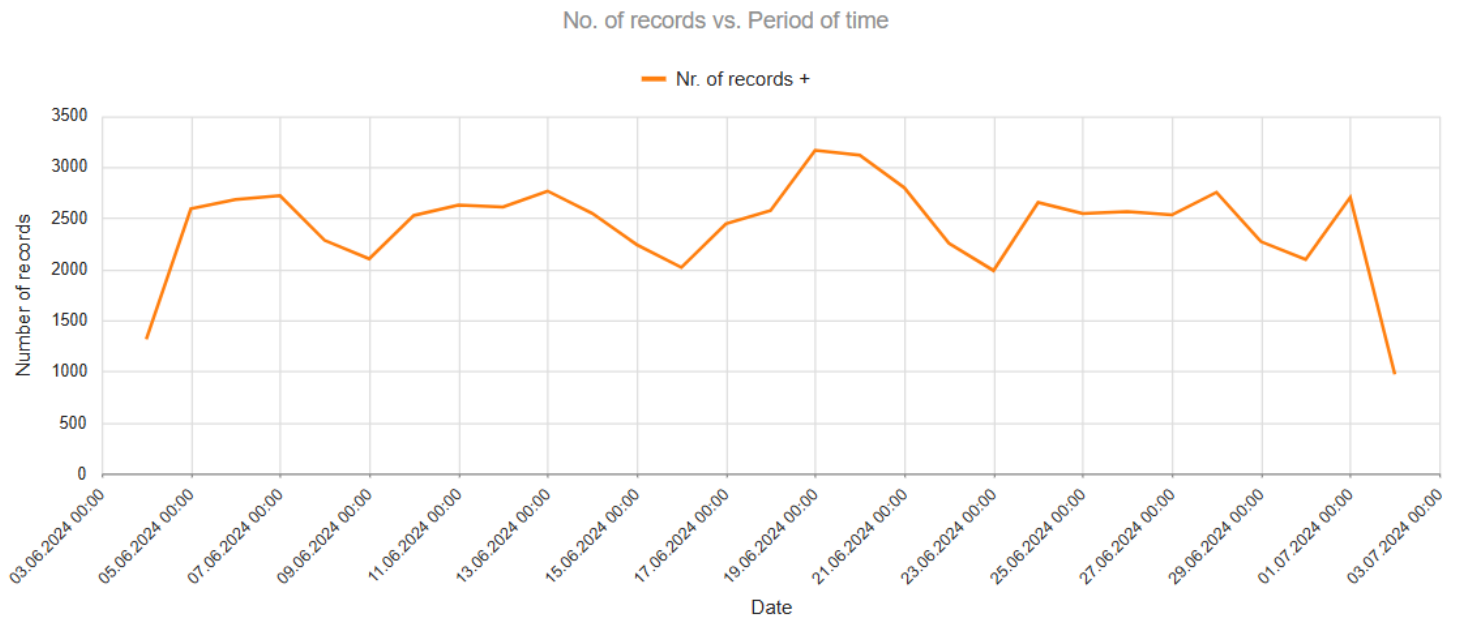

Average around 700 vehicles per day in one direction Monday to Saturday and around 500 on a Sunday.

Va, V85, Vmax vs. Time

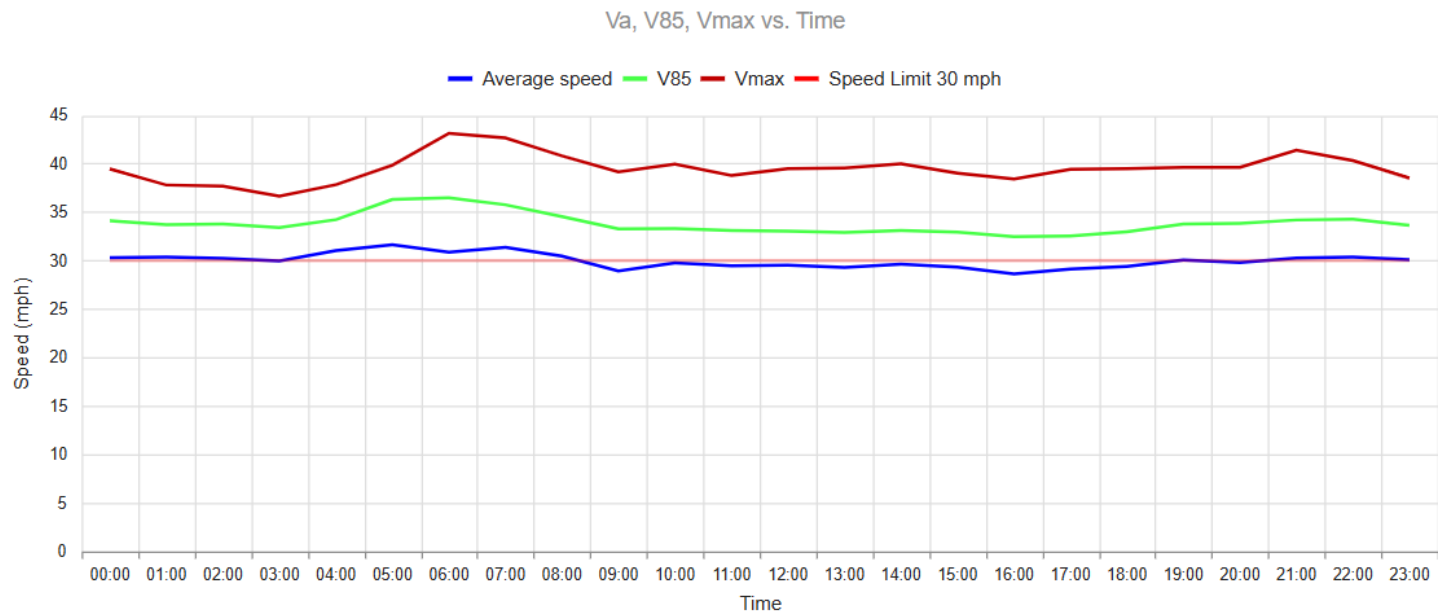

Little variation in speed at different times although the maximum speed recorded in this period was only 41 mph.

Lower Road 4-Jun-24 to 2-July-24

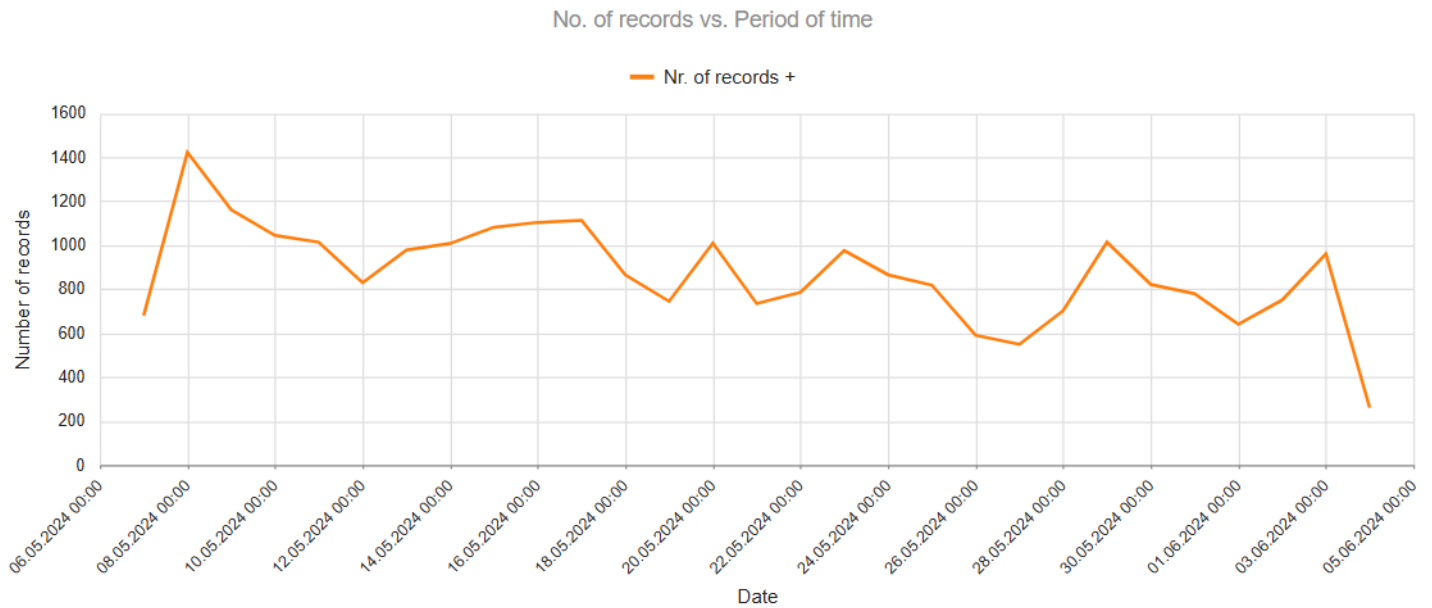

Average around 2,500 vehicles per day in one direction Monday to Saturday and around 2,000 on a Sunday.

Little variation in speed at different times although the maximum speed recorded in this period was 52 mph.

Risborough Road 7-May-24 to 4-Jun-24

Average around 1,000 vehicles per day in one direction dropping to 800.

This is unlikely to be a true representation of traffic as this data was recorded when there were roadworks with traffic lights and a lot of traffic approaching from the Princes Risborough direction may have turned off at Terrick to avoid the roadworks
