**Parish Council Meeting – 15<sup>th</sup> October 2024**

**Clerks Report (For Information Only)**

Below are updates to the Council on issues that are ongoing where no decision or minimal expenditure is required. The purpose of this update is to keep Councillors and the public up to date on various issues and to save time at the meeting.

**Streetlights / Lighting** – The following have been reported as not working and have been referred to the PC's electrical contractor:

- Two lights in Orchard Close – Numbers 1 and 2.

**Community Centre / Playing Field** –

- Nothing to report.

**Parking Review** –

- It seems that the scheme will now not be implemented until 2025.

**Environmental Issues** – Calls from Residents

- Brudenell Drive – Abandoned vehicle outside the Bull public house. Reported on fixmystreet. But is being inspected by Buckinghamshire Council.
- Old Risborough Road – One of the abandoned vehicles has gone, one still remains that. *The Clerk has raised this with the Community Board administrator and will be raising it with neighbouring parishes to see if there is an increasing problem.*
- Waste Bin – An overflowing waste bin at the entrance of Old Risborough Road has been referred to Buckinghamshire Council for emptying.

**Environmental Issues** –

- Dog Waste Bin – A dog waste bin has been installed on the Hawthorne estate next to the entrance to the footpath leading to the Church.
- Hedge on Old Risborough Road – HS2 has cut the hedge that runs along the Old Risborough Road apart from a section opposite the entrance to the Goat Centre and units. This section was left following the discovery of a tree with nesting bats which prohibits any work within a 30m radius of the tree. They will revisit in the Spring.

**Allotments** – Further plots have been let to new tenants.

**Burials** – No burials scheduled.

**Other -**

- Christmas Tree – Another small Christmas tree has been planted on the Village green.
