

Item 9 – Pollyanna Preschool Request for Artificial Grass

Subject: Preschool Garden

Good afternoon Tony

I hope this email finds you well. I would like you to put forward to the parish council meeting next week that although we are extremely grateful for the use of the outdoor space you kindly fenced for us, it has now become unusable as it is like a mud bath! The grass is not hard wearing enough for the children and it is becoming harder to maintain. Our accident records have increased since winter set in and we are now only using the area on very odd occasions otherwise we are going out for walks. I am asking if the parish council would consider putting a more hard wearing surface there like Astro turf, fake grass or Playground flooring.

Kind regards

Emma Newman
