RE: Joining the Parish Council for the Stoke Leys Ward.

Dear Tony Skeggs

I am writing to you today with my intention to become a Parish Councilor representing the Stoke Leys ward. After reading and attending some meeting over the past few months, I now know what's required from becoming a Parish Councillor and feel I can help/support its residents at a local level.

I have lived in Stoke Leys since 1988 and have 38yrs experience in business and I have been the Managing Director for some 30yrs. Over these years we have helped many charities and organizations locally and now feel I can help and advice the local community and residents of Stoke Mandeville.

I hope this gives you a brief insight into my back ground and if you need any further information, please feel free to contact me.

Your sincerely

Dean Field
