AED Protect Solar Powered Outdoor Defibrillator Cabinet

SKU: AEDPTSOLAR Categories: [Cabinets & Brackets](#), [Outdoor Cabinets](#) Brand: [AED Protect](#)

£3,595.00 (excl.VAT)

£4 314,00 (incl.VAT)

The brand new AED Protect solar powered outdoor cabinet is perfect for locations where you need to store a lifesaving defibrillator but mains power is not available. This standalone cabinet will help keep your AED at the correct temperature in summer and winter and provide monitoring of your AED (AIVIANet SOLO server subscription is required for monitoring)

This cabinet is only compatible with the Philips FRx AED due to the remote monitoring feature. If you need to purchase a Philips FRx AED please contact us for details

Please note delivery is via pallet so up-to 7 working days
